

SPIRITUAL FOUNDATIONS IN FAMILIES

A lot of people have actually suffered the serious consequences of bad foundation. A lot of people have committed their time to release themselves from the grip of evil foundation. The concept of foundation shows that our parents, village and behaviour can either form a good or bad foundation.

God told us in service on Sunday that – **He is restructuring the Structure.**

The word “foundation” occurs 80 times in the Bible. It starts with Genesis and concludes in Revelation.

Spiritual foundations in families talks of

1. the bedrock on which families are built on
2. the source on which families draws from
3. the definition on which families are known for
4. the limitation describing how far families go
5. the strength of the family
